HSS UK – Celebrating 50 Years of Contribution in the UK

HSS UK is a social/cultural national organisation of Hindus and a registered charity in the UK, with over 110 weekly activity centres and an average weekly attendance is over 2000 (nationally).

This year marks Golden Jubilee of the HSS UK which was founded 1966. As a kick start to the yearlong celebrations, HSS has planned a unique international gathering of over 2200 members and well-wishers from across the UK and Europe from 29 to 31 July in Hertfordshire.

The open air venue, in the countryside, will be transformed into a fully tented township with over 300 tents and the infrastructure built from scratch to cater for all facilities and amenities.

The theme of this historic gathering is Sanskār (values of life), Sewā (selfless service) and Sangathan (community spirit). Every effort will be made to use recyclable materials on site and its activities. The idea is to generate awareness of environmental sustainability, community spirit, respect for diversity and potential leaders of the future. Number of prominent personalities from world over will be visiting the event.

This now fully subscribed event will be thoroughly enjoyed by all who are involved in and have worked with HSS UK.
